Re: Charles Benninghoff v Superior Court
Real Party In Interest: The State Bar of California

Appellate Number: G035923
Supreme Court Number: S141459

Dear Chief Justice George and Honorable Associate Justices,

This letter is respectfully submitted so as to urge the Supreme Court to accept the review of Mr. Benninghoff's plea for help.

My interest in this case is purely that of a citizen who pleads that Your Honors will do justice in Mr. Benninghoff's case and not create a judicial crime after the fact.

I was told, and do believe, that Mr. Benninghoff was acting solely as a representative to those licensed persons whose licensure had been called into question by California administrative agencies after having received Legislative Counsel Opinion #18108 which specifically stated he could do so. As a Registered Nurse, I have first hand knowledge of this and, if called upon to do so, would duly testify to that fact.

The writing of law rests with the Legislature, not the courts. Therefore, if Mr. Benninghoff is not to be allowed to do agency work as a resigned attorney and, as the Legislative Counsel so wrote, then, it is up to the Legislature to write the laws accordingly to prohibit him and others from doing so.

This issue is of great public interest foremost for the following reason: if the courts are allowed to rewrite the law our State Constitution becomes moot, thereby, rendering California a state of men and not of law.

Sincerely,

Diana A. Iversen, RN, CLNC
