I, Warren Ritchie Christianson, declare that the following is true and correct and of my own knowledge. I am a Registered Nurse in the state of California and my license number is 363204. I am employed at Sonora Regional Medical Center in Sonora, California.

I have resided at 23680 Porcina Way, Columbia, California since September of 1990. I am 57 years of age.

I became acquainted with Charles Benninghoff in March of 2004 when I contacted him to represent me before the California Nursing Board. Mr. Benninghoff represented me in a professional manner and submitted all documents and forms in a timely manner. I can testify that his representation was excellent. Before choosing him to represent me, I did some research and found nothing that would indicate a problem.

Mr. Benninghoff and his staff have been efficient, professional, and honest with me. He made full disclosure that he was no longer an attorney but that he had extensive experience in the area of license defense. I did not hire him as an attorney, but rather as one who would help me file forms on a timely basis and talk to appropriate people to present my view. He and his firm did what they said he would do and I was able to work out a mutually arranged agreement with the California Board of Registered Nursing.

I declare under the penalty of perjury under the laws of the State of California that the above-stated is true and this declaration is signed under penalty of perjury.
