the far-reaching holdings of Benninghoff v Superior Court. It is my wish that the California Supreme Court grant review of this case and restrict the scope of the practice of law to those things that only lawyers are allowed to do as determined in your case of Baron v. City of Los Angeles (1970) 2 Cal.3rd 525.

Jerre VanGorder of the WCAB, and Attorney San Abdulaziz, and others, and agree with them that a resigned attorney should be able to do the work that any other nonattorney can do. Otherwise, I can't retire, resign from the Bar and continue to do law-related work that I want.
