Re: Charles Benninghoff v. Superior Court,
Real Party In Interest: The California Bar

Appellate Number: G035923
Supreme Court Number: S141459

Dear Chief Justice George and Honorable Associates Justices:

This letter is submitted to urge the Supreme Court to accept the review of Mr. Benninghoff's plea for relief.

My interest in this case is that I am a citizen and friend, hoping that Your Honors will do justice in Mr. Benninghoff's case and not create a judicial crime after the fact.

I was told, and sincerely believe, that Mr. Benninghoff was representing people before California agencies after having received Legislative Counsel Opinion #18108 that specifically stated he could do so. To repeat, Legislative Counsel Opinion #18108 stated:

"In our view, where a statute or regulation allows representation at an administrative hearing by an "authorized representative" who is not an attorney and does not make a distinction between a non-attorney and a resigned attorney, a resigned attorney may provide representation in an administrative hearing on the same basis as any other non-attorney."

I therefore, believe that the State of California should not be allowed to charge Mr. Benninghoff criminally. Further I believe that the writing of law is the Legislature's responsibility and not the courts. As well, if Mr. Benninghoff is not to be allowed to do agency work as a resigned attorney, and as the Legislative Counsel so wrote, then it is up to the Legislature to write the laws accordingly.

This issue is of great public interest, because if the courts are allowed to continue the practice of rewriting law, then the Constitution of the State of California is in doubt.

Sincerely,

Keith A. French
