Re: Charles Benninghoff v. Superior Court ,
Real Party In Interest: The California Bar

Appellate Number: G035923
Supreme Court Number: S141459

Dear Chief Justice George and Honorable Associates Justices:

This letter is being submitted to urge the Supreme Court to accept review of Mr. Benninghoff's plea for help.

My interest in this case is that I am a citizen hoping that Your Honors will do justice in Mr. Benninghoff's case and not create a judicial crime after the fact.

I was told and believe that Mr. Benninghoff was representing people before California agencies after having received the Legislative Counsel Opinion #18108 that specifically stated he could do so. The regulation refers to an "authorized representative" who is not an attorney, and does not make a distinction between non-attorney and resigned attorney. An acting attorney/client relationship maintains specific parameters which are absent from these proceedings. It would be a dishonor to the legal profession to restrict what retired attorneys may or may not do for their communities, especially when considering their breadth of knowledge and community awareness.

The writing of law rests with the Legislature, not the courts. Therefore, if Mr. Benninghoff is not to be allowed to do agency work as a resigned attorney, and as the Legislative Counsel so wrote, then it is up to the Legislature to write the laws accordingly.

This issue is of great public interest, because if the courts continue to rewrite law, then our State Constitution is moot and we become a state of men and not of law.

Sincerely,

Nancy Ellen Lee
