Re: Charles Benninghoff v. Superior Court
Real Party In Interest: The California Bar

Appellate Number: G035923
Supreme Court Number: S141459

Dear Chief Justice George and Honorable Associates Justices:

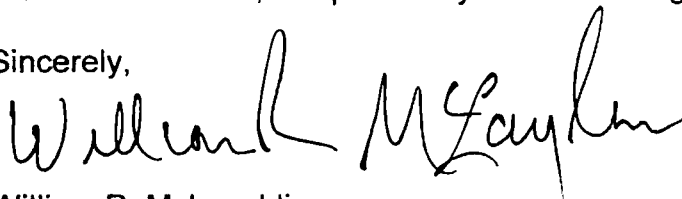

This letter is written as a plea to urge the Supreme Court to accept review of Mr. Benninghoff's request for help in the above referenced matter.

As a citizen, I am concerned about this case because if the courts continue to rewrite law, our State Constitution is ineffective and our laws become "whims". The writing of law rests with the Legislature, not the courts. Therefore, if Mr. Benninghoff is not to be allowed to do agency work as a resigned attorney, and as the Legislative Counsel so wrote, then it is up to the Legislature to write the laws accordingly.

I understand that Mr. Benninghoff was representing people before California agencies after having received Legislative Counsel Opinion #18108 that specifically stated he could do so. It is in the interest of the general public that a resigned attorney should be allowed to do anything a nonattorney can do unless specifically prohibited by a law or regulation.

I trust that Your Honors will render justice in Mr. Benninghoff's case and allow him to provide assistance, as specifically allowed in Legislative Counsel Opinion #18108.

Sincerely,

William R. McLaughlin
